Students Elect New Officers At High School

Election of officers claimed major extra-curricular interest at Jefferson Union high school last week.

Freshman, sophomore, junior and senior students met Friday to ballot for their new leaders. Final results have been announced in only the senior division. Fourth year classmen chose Norma Barker, president; George Wallace, vice-president and Helen Larson, secretary-treasurer.

The Jefferson unit of the California Scholarship Federation has selected its officers and is already busy with important plans for Fall. Howard Viera, a high senior, is president. This is his second year in the C. S. F.; he has been on the football team for three years and is well known to the student body at large.

C. S. F. elected Barbara Foreman vice-president and Maren Nelson, secretary-treasurer.

Taking the limelight in C. S. F. plans is the September 28 Bay region C. S. F. meeting on Treasure Island. The Jefferson unit will be hosts. The program, under the supervision of the two faculty advisors, Mrs. Dorothy Pendergast and V. J. Chapman, is already taking shape. Music will be furnished by the "Indians of Rhythm." Charles Yonan, last year's president and life member, will preside over the meeting.

G. P. A. L. officers for the new semester were elected last Wednesday. Head manager is Shirley Jones; secretary-treasurer, Earlyn Barker. Major responsibility for conducting the group's meetings will lie with them.

Girls to head sports were chosen. Barbara Foreman will head the swimming group, which meets Tuesdays and Thursdays. Softball manager will be Beatrice Putnam. (Continued on Page 5)

Courthouse Annex—

Plans and specifications for a \$54,408 two-story annex to the county clerk and recorder's offices in the courthouse at Redwood City were ordered Thursday by the board of supervisors.

Architect Will H. Toepke of San Mateo, who designed the new annex, was named official architect. The addition will be made at the rear of the present structure and will supply at least temporary quarters for the health clinic and rooms for the county agricultural commissioner and the sealer of weights and measures.

Bayshore "Freeway"—

Conversion of the present Bayshore highway into northern California's first express traffic "freeway," starting next year, will bring Palo Alto, Redwood City and other towns on the lower peninsula at least "fifteen minutes closer" to San Francisco.

"More than that, it will do more than anything else to stabilize existing business and shopping areas, both in the city proper and its peninsula suburbs," State Highway Commission officials told a meeting of civic and business leaders in San Francisco last week.

Lookout Station—

A survey of San Mateo county's highest peaks is being made by the California State Division of Forestry to determine the best site for a fire lookout station, to be established soon.

The new lookout will be San Mateo county's first, and will tie (Continued on Page 4)

Jefferson High Graduate Honored At University

News from the University of California at Berkeley this week added further scholastic glory to the already remarkable record of Jefferson Union high school.

John Joseph Kenney, Jefferson graduate, class of '37, has been elected to the Honor Students Association of the University of California.

He will be initiated into the honor organization at an International House banquet today.

Honor students are those with average grades of B. Next to Phi Beta Kappa, membership in the coveted Honor Students association is the highest scholastic recognition a student may achieve.

Postpone Meeting On Knowles Crossing

City officials today announced that the State Railway commission meeting, scheduled for this morning at the city hall, has been indefinitely postponed.

The meeting was called for the purpose of discussing the proposed crossing at Knowles avenue, relative to the establishment of a through street between Mission street and Junipero Serra boulevard at Knowles.

Appearance of unexpected complications in the plan was given as reason for postponement of the hearing. It is expected that new plans for a through street will be formulated with the return of City Engineer Robert Klassen from his vacation.

County Clerk Clarifies Voters' Eligibility

In answer to a number of queries received at the county clerk's office and at newspaper offices, those who did not vote in last Tuesday's election will not lose their vote in the coming November presidential election.

County Clerk William H. Augustus' aides pointed out that anyone who voted in either the 1938 primary or general election is eligible without further registration to vote in both this year's primary or presidential election.

The only ones who need to worry about registering for the presidential election are those who did not vote in the 1938 gubernatorial primary or general elections, Augustus' office announced. The Tuesday election has nothing to do with this eligibility.

Record Brings Florida Close To California

Clear across the country, from California to Florida, old friends keep in touch with one another by means of The Daly City Record.

From far-off Tampa, Florida, comes news this week of the birth of an infant son to Mr. and Mrs. Al Schumacher, former residents of Daly City.

The baby was born on August 11 in Tampa and has been named "David Bernard." His aunt, Mrs. David Rodriguez, lives at 157 Hillcrest drive in Daly City. Mr. and Mrs. Schumacher's Florida address is 3705 Twelfth street.

"We are still able to enjoy your paper," write Mr. and Mrs. Schumacher. (Continued on Page 6)

Postoffice Distributes Blanks To Aliens Here

Approximately 250 application blanks for alien registration have already been distributed from the Daly City post office, authorities announced today.

Registration activities will continue throughout the week, with a special postal representative here to explain details of registration and fingerprinting to foreign born residents.

Although blanks are filled out here, actual fingerprinting and (Continued on Page 6)

FIESTA STRESSES FLORAL EXHIBITS

Taking their cue from the model garden gate, Nanette Fabares and Beryl Carew, stars of "Meet the People," issue an invitation to "come on in" and meet the flowers at the San Mateo County Fiesta, September 19 to 22 at Bay Meadows. Floral setting by Albert O. Stein, San Francisco florist and prominent Fiesta exhibitor.

County To See Mile Of Displays At September Event

Professional floral exhibitors at the San Mateo County Fiesta are ready to prove that "the flowers that bloom in the spring" will have nothing on those in September, according to Chester P. Lipman, secretary-manager of the Fiesta association.

"With more than \$15,000 in prizes and national recognition as incentives, professional growers, nurseries and florists are outdoing themselves to make this year's event one to be remembered," states Lipman.

"In preparation for the opening day, entries are being 'groomed' with the care and supervision given a prize racehorse. The stakes are high and everyone wants to be a winner. Actually, when plans are completed, the Fiesta floral exhibits will provide a mile of displays, covering an area of approximately five acres. Entries will be more unique, more spectacular than ever attempted before."

E. W. McClellan company, Colma, world's largest growers of gardenias, will enter literally thousands of fragrant blooms arranged in special exhibits, as well as individual entries in special classes. An unusual "eye opener" will be the Avansino, Mortensen and Dettmer exhibit, featuring \$25,000 worth of orchids. H. Plath, chairman of the Floral Division, with nurseries at Pescadero and San Francisco, announces an exhibit of decorative shrubs and plants, together with many rare and ornamental ferns.

With thirteen entries, Golden Gate Nursery will compete in landscaping classes for both formal and informal gardens. Shrubs and plants will round out the display. From the California Chrysanthemum Grower's association will come a mammoth exhibit of prize "mums," typifying San Mateo county's world leadership in growing these fluffy beauties.

Band To Present Free Concerts

Daly City Band will inaugurate a series of free band concerts in Daly City this season, Bandmaster George E. Brenner announced today.

The surprise decision followed close upon the heels of a congratulatory letter received this week from Napa county officials, commending the group for its fine mastery of musical expression.

The municipal band will give the first in the series of free concerts, September 26, in the auditorium of Jefferson Union high school. A number of soloists will (Continued on Page 8)

Cafeteria Resumes SRA Foods Program

Jefferson Union high school cafeteria last Monday resumed the SRA Surplus Foods program which proved such a phenomenal success last semester. Principal James Ferguson announced today.

Supported by the cooperation of WPA, SRA and the Federal Surplus Commodities corporation, this program is directed toward the proper feeding of undernourished children. For a nominal price, rarely exceeding 8c or 9c, (Continued on Page 8)

Returns Show Little Change On Committees

Democratic and Republican Central committees were in general little altered by returns from the primary ballot last Tuesday, returns from the county clerk's office showed this week.

General return of incumbents was the order in most of the county. In the first district three incumbents out of five were returned to office.

DEMOCRATIC

First District — Daniel McSweeney (incumbent), 3313; James J. Jennings (incumbent), 2997; John R. Borden (incumbent), 2768, and Peter J. Kelly, 2489, elected; also ran, Frank Garibaldi, 2378, and Hugh F. McNellis, 2055, incumbents.

Second District — Francis N. Foley, 2220; Elinor L. Falvey, 2120; Anna Karstensen, 1733, all (Continued on Page 8)

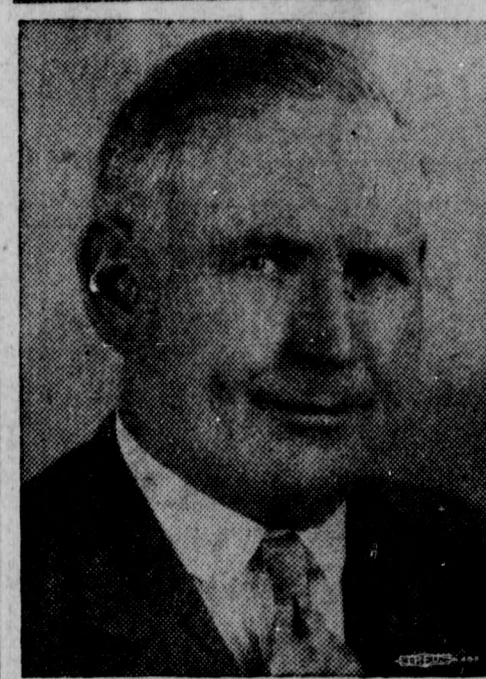

Night School Open To Public

Regular evening classes at Jefferson Union high school were resumed last night.

The classes meet on Tuesdays and Thursdays from 7 to 9 p. m. Registration is now in progress. No charge is made and the public is welcome to attend or visit any of the classes.

Subjects covered at the night school include bookkeeping, mimeographing, machine calculation, typing, stenography, industrial arts and pottery. Non-citizens in this community are offered instruction in Americanism and Naturalization and are urged to attend the courses in preparation for their U. S. citizenship.

Political Limelight

All San Mateo county districts know who their supervisor will be, with the exception of the first district. The results of last Tuesday's election showed that a run-off between Daniel A. Dolan and Thomas L. Hickey would have to be held at the November general election. Dolan, (top), got 9,534 votes; Hickey, (lower picture) received 12,650 in the county at large. In Daly City, his home town, Dolan was accorded 1,320 votes to Hickey's 772.

Mrs. Hiller Wins At Dahlia Show

Owner of the best dahlia in the entire beginners' section, Mrs. Elsie Hiller, 181 Santa Barbara avenue, was awarded a silver cup in the San Francisco Dahlia Society show last Wednesday and Thursday. Mrs. Hiller's prize-winning dahlia was an outstanding specimen of a pale lavender Azura.

Her lovely flowers won Mrs. Hiller three other first prizes in the exhibit. A basket of small orange pom-poms, a big yellow Miss Glory dahlia and a Miss Havenner ball dahlia were all awarded blue ribbons.

An enthusiastic flower lover, Mrs. Hiller began growing dahlias only last year. Two weeks ago at the Alameda Dahlia Society show, Mrs. Hiller won a gold trophy, winning seven first places with her Alex Craig and Azura varieties.

Mrs. Hiller expects to enter a display in the San Mateo flower show in September.

Napa Officials Praise D. C. Band

In a letter addressed to Mayor John J. Fahey and the city council, Napa county officials this week expressed their appreciation for the Daly City Band's performances at the Napa County Fair and Horse Show.

"The City of Napa and the Napa County Fair association wish to convey to you our sincere thanks and appreciation in your city sending your Daly City Band to play for us Sunday, August 18.

"You are to be congratulated on having such a high standard band in your city, which was one of the very best bands that have visited our city and fair. We sincerely hope that next year we may have the pleasure of having your organization with us again.

"If we can ever be of service to you, please call on us.

Sincerely yours,
Oliver Hoffman, Mayor of Napa
Harrison Cutler, General Manager, Napa County Fair Association
David Cavagnaro, Chairman of Parade Committee."

Give Bumpers New Role To Play

San Mateo county automobile bumpers, designed primarily to prevent accidents, will be used for a more cheerful purpose now that colorful bumper strips advertising the San Mateo County Fiesta, September 19-22, at Bay Meadows, are available at various agencies on the Peninsula.

Fiesta President Bruce Gibson, in announcing that the strips may now be had for the asking, said that Peninsulans could be of great help to the Fiesta by using the strips and carrying an invitation to the Fiesta with them as they drive.

The strips may be secured in Daly City at Arthur J. Bodien's office in the city hall. Nearly 200 of the colorful signs have already been given away at his office, according to Bodien.

Top Gem Melon Cup With Mint

By BETTY BARCLAY

Melon balls, canned Hawaiian pineapple gems and their sirup, to which a dash of lime juice has been added, is as refreshing as the summer rain.

You will find that a generous supply of canned Hawaiian pineapple gems in your refrigerator this summer will help in creating many fruit desserts with a pleasing, tangy flavor. These spoon-size chunks of luscious fruit are just the right size to combine with sliced or diced fruit and are particularly nice with melon balls.

Try pineapple gems combined with cantaloupe and honey dew balls. Add a dash of lime juice for piquancy of flavor and a little chopped mint for its aromatic bouquet.

How To Build A Home Playground

Leaflets giving clear, simple directions for the construction of a home playground for children are now available at the local WPA Recreation office, 101 Parkview avenue, announced Director Bruce H. Boynton today.

"A safe adequate place for small children to play is needed more today than ever before," Boynton pointed out. "Rapid transportation monopolizes the streets and endangers lives. Frequent casualties caused by the play of children in the streets brings us the problem—where can small children play?"

"Few parents realize the possibilities of backyards for playgrounds," Boynton continued. "A few inexpensive pieces of home-made play apparatus can change the home, especially the backyard, into an attractive area which will not only keep the small child off the streets but will supply health and fun for the whole family.

"Even a small backyard is large enough for the play of the small child. Most of the equipment for the home playground is inexpensive and can be made by any man who is handy with tools."

Issued by the Recreation division of the Works Progress administration, the leaflets are free of charge. They contain detailed directions for making such simple equipment as a small children's swing, a horizontal bar, a see-saw and sand box.

DALY CITY LOSES TITLE BY ONE GAME

Several hundred cheering fans this week-end saw Daly City Merchants make a name for themselves in the baseball managers' semi-pro tournament at Seals Stadium, losing the championship by only one game.

It took them two games to do it, but the Shipfitters pocketed the \$400 prize money and a percentage of the gate receipts for winning the tourney in the double-header play-off on Monday afternoon.

Daly City won the first game, 2-1, making the score an even five games each; but dropped the all-important second contest, 9-1.

The scrappy Daly City nine held the Shipfitters back in the opener, with Daly City's Norbert Pfeifer outthurling Chet Steengrafe. It was the Shipfitters first defeat in the tournament, having scored five straight wins before meeting up with the local Merchants.

Daly City broke a 1-1 deadlock in the ninth when Sam Lucia doubled, Frank Detoli sacrificed and Vance Adler scored Lucia with a drive over third.

The second game was close until Adler, hurling for Daly City, lost control in the sixth. Pfeifer attempted to stem the Fitter onslaught, but was bounced for four runs. Lucia pitched the last two innings and allowed a brace of hits. George Hughes pitched steady for the new champions.

The Merchants knocked over a supposedly stronger Longshoreman nine, 7-5, in the first game of the double header semi-finals of the Managers tournament at Seals Stadium, Sunday.

Their fourth win chalked up in the tourney, this game gave them the right to enter the finals against the Shipfitters on Monday.

Adler was credited for the Daly City triumph. The Longshoremen reached him for 15 hits, but he kept them well scattered, while his teammates bunched their 12 hits in the third and sixth innings, when they scored five and two runs, respectively.

The Daly City Merchants won an advanced elimination game from San Anselmo with Pfeifer pitching three hit ball on Saturday. Daly City amassed fourteen hits to down San Anselmo, 8-1.

To Represent Daly City At Horseshoe League

When the Northern California Horseshoe Pitchers association opens league play on Treasure Island, Saturday, Daly City will be represented among the contestants.

Trying a hand to win the title of Champion of the Golden Gate International Exposition in the open horseshoe tournament will be Curly Stadelman, 64 Los Olivos avenue.

Stadelman will enter the tournament under the auspices of the Daly City WPA Recreation department. He is a former member of the Daly City Horseshoe club.

Qualifying play begins at 11 a. m. on Saturday and will continue until 12 noon on Sunday, with a hundred shoe qualification.

The championship play-off will start at 1 p. m. on Sunday. All the

Olivet Memorial Park was again bounced out of leadership in Burlingame Softball League when Granger and Martin last Monday night scored a 12-1 triumph over the Lawndale ten.

Olivet's lone run was on a home run by Pete Pastorino in the third. He patted the ball deep into right field over John Steele's head.

Pitcher Les Walker of Granger and Martin gave up only three base hits, Pastorino's home run, a single to left by Leo Cortesi and a seventh inning blow by S a m Lucia which Boots Francard deflected into left field on an attempted stop.

Soldavini Returns From Preview Of Buicks In L. A.

Back from the Buick motor car dealers' convention in Los Angeles, M. J. Soldavini, local Buick dealer, announces that the first public presentation of the Buick models for 1941 is scheduled for September 7, and the new cars will be displayed in his showroom on that date.

While in Los Angeles, Soldavini attended a dealers' preview of the new Buicks and reports that they represent pronounced advancement in both body styling and engineering details with marked step-up in horsepower of the new Buick engines. The new body styling improves upon and broadens the range of the "torpedo" type of body introduced by Buick last year, he said.

The new cars are larger and somewhat heavier this year, he said, but have better performance and better top speeds. At the same time, there are more than 70 new features and changes throughout body and chassis design.

Local Pitcher Aids In Owl Win

Owl Drug Company unloaded thirteen safeties in the Managers' Tournament at Seals Stadium Thursday night and handed Jim's Billiards a 14-0 trouncing.

Lola Petrocchi, Owl mound ace, allotted the losers five hits and fanned four. Roy Wetmore poled two hits, including a triple, for Owls.

Petrocchi, Daly City pitcher, lives at 180 Santa Barbara avenue. He has hurled for teams all up and down the Peninsula during the past few years.

SEPTEMBER 29

"What's September 29?" we asked this morning.
"Your birthday!" exclaimed the ad man, anxious to please.

"A holiday!" suggested the reporters, hopefully.
"Something very important goes out of your lives on that day," we archly hinted.

The stares were unanimously blank. We thought it better to clear up the matter quickly before they thought we had gone completely crazy.

"The Golden Gate International Exposition closes."
"So soon!" everybody chorused, disappointment heavy in every voice.

So soon is right. And we feel sure that just about everyone in Daly City and the Bay area thinks it's too soon. The fair has been an outstanding contribution to all of us these two years. Culturally and educationally it has had much to offer. In the field of fun it's been "tops."

Since September 29 is the final date, however, the best we can do is make the most of the time left us. Let's see all the exhibits we've been planning to visit but just never got into our program.

Let's go often and stay late, because after the 29th there just won't be any "next time."

Enforcing last week's council orders that there must be no more dumping of garbage and rubbish in the vicinity of Vista Grande park, police and health authorities Friday brought charges against A. Merlo, 371 Twelfth avenue, for disregarding a "No Dumping" sign. Merlo was fined \$5 by Judge Wade H. Clay.

Brought into court on a similar charge, A. Markarias, 601 Balboa street, was severely warned by the judge for dumping rubbish on Skyline boulevard. Markarias, proprietor of a grocery store in San Francisco, explained that the dumping had been done against his orders and that he had picked the rubbish all up again.

Three motorists were fined for speeding: Allan Janow, 35 Almaden Court, \$2.50; Edward R. Hindley, 234 Bush street, \$5, and Harry Rampowe, 3540 Twenty-third street, \$2.50.

THE RAMPARTS WE WATCH

Boy Meets Girl In New Film At D. C. Theatre

When a boy meets a girl, you can expect romance, and when a salty old tar invades an Old Ladies' Home, you can expect comedy. Both happen in "The Captain Is a Lady," which opens today for one day only at the Daly City theatre.

Two comparative newcomers to the screen are presented in the romantic roles. Virginia Grey, who first drew attention in "The Women" and later in "Thunder Afloat," is cast in the feminine lead, and Don Dailey jr., a former musical comedy star, won the juvenile male lead on the strength of his first screen appearance in "The Mortal Storm."

The story is about a boy and a girl who attempt to straighten out the financial difficulties of the girl's parents. When the girl's father, a seafaring man, loses the family home, he is forced to place his wife in an Old Ladies' Home. The other inmates, realizing the wife will be unhappy without her husband, invite him to stay in the home also.

The rough old salt wins their confidence and friendship, and the ladies, being somewhat mid-Victorian, are a little pleased and awed by having a man in the house. However, when he attempts to play Cupid for some of the ladies, the others misunderstand and he falls in and out of favor with amazing speed before finally regaining possession of the house he had lost.

Vegetable Cocktail Bar
Milwaukee, Wis., now has a vegetable cocktail bar that serves only vegetable drinks, declares the American Magazine. The operator is Mrs. Edith Lange, whose specialty is a garlic-parsley cocktail. It contains the juice of green peppers, with three cloves of garlic, and the juice of parsley mixed in.

New 'March of Time' Coming To D. C. Theatre

"Spoils of Conquest," latest March of Time film showing next Sunday at the Daly City theatre, presents an exciting film story of the Dutch East Indies, richest colonial empire in the world, which is today left virtually unprotected against Japanese aggression now that Holland itself has been taken over by Germany.

In this timely issue, the March of Time pictures the whole story of how the people of the Netherlands Indies are facing the gravest danger in the history of their empire.

Because the Dutch East Indies are the chief source of rubber and tin for America's new national defense program, this latest March of Time holds special interest and importance for every man and woman in America today, according to the management.

Tees For Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early niblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

Dramatic Club Chooses New Play

"Why Wives Worry" will be the first play which the Dramatics Club of the WPA Recreation department will produce this year.

That and other important decisions made last Tuesday evening at the first organizational meeting of the group. Nearly a dozen talented amateurs turned out for the class.

"There is still time for anyone else to join," Miss Marie Burton, instructor, said today. "Stage experience is not necessary. Neither do you have to confine yourself to appearing in plays. We study many other phases of dramatics as well."

"Why Wives Worry" is a sparkling three-act comedy, with opportunities for plenty of fun.

"This play is especially suited to beginners," Miss Burton said. "Visit our class any Tuesday evening," she added.

The Dramatics club meets at the Little Theatre in Jefferson Union high school each Tuesday at 7:30 p. m. The radio players will meet at 7:30 p. m. on Thursdays.

THIS WEEK --- At Jefferson Union High School

Student Government

The first meeting of the executive board was called to order by the Student Body President

Bill Rigler, at 8 a. m. yesterday. As there was no old business, due to the fact that this was the first meeting of the semester, Rigler talked to the committee in regard to the business of keeping the Senior room in order, the halls clean, and order in the assemblies.

Sergeant at Arms "Bob" Johnston, put before the board the following lineup of his committee, for their approval: Betty Morris, Betty Coen, Charles Razzari, John Razzari, John Domecus, Ray Fellman, Bob Capps, Jim Parker, Ben Rosenberg, Jack Faulk, Serafino Ragni, H. Ferrando.

After careful deliberation the committee unanimously passed on the above committee. It was suggested by Rigler, that since two of the members are managers of the school store, two more be added to the committee, to help out.

An urgent call was put in for all of the class officers to attend the next meetings of the board. "It is the duty of these officers," said Rigler, "when given the privilege to attend these meetings to do so."

The business of hiring transportation for the Burlingame, San Mateo and Sequoia games was brought up by Yell Leader Eldon Prziborowski. The board thought it a good idea, and were in favor of Prziborowski's finding the number of students interested, and the price that would be charged.

A Jefferson night at the Daly City theatre was brought up and approved by the board. This is to be planned and discussed further in the near future.

The meeting was adjourned at 8:15 a. m.

ASSEMBLY

President Bill Rigler presided over his first assembly yesterday. Purpose of the session was to assign the semester's seating. Every semester an assembly is reserved for this purpose. Each student is assigned to a certain seat, according to his class and homeroom. This seat is permanent for the semester, and a regular checkup is made to see that each is in his right seat and to note those absent.

Today the student body enjoyed excellent pictures presented by the Treasury department, and tomorrow the assembly is to be honored with a talk by Judge Theresa Meikle, San Francisco.

Campus Fashions

Well here I am again, girls, with this weeks latest tid bits!

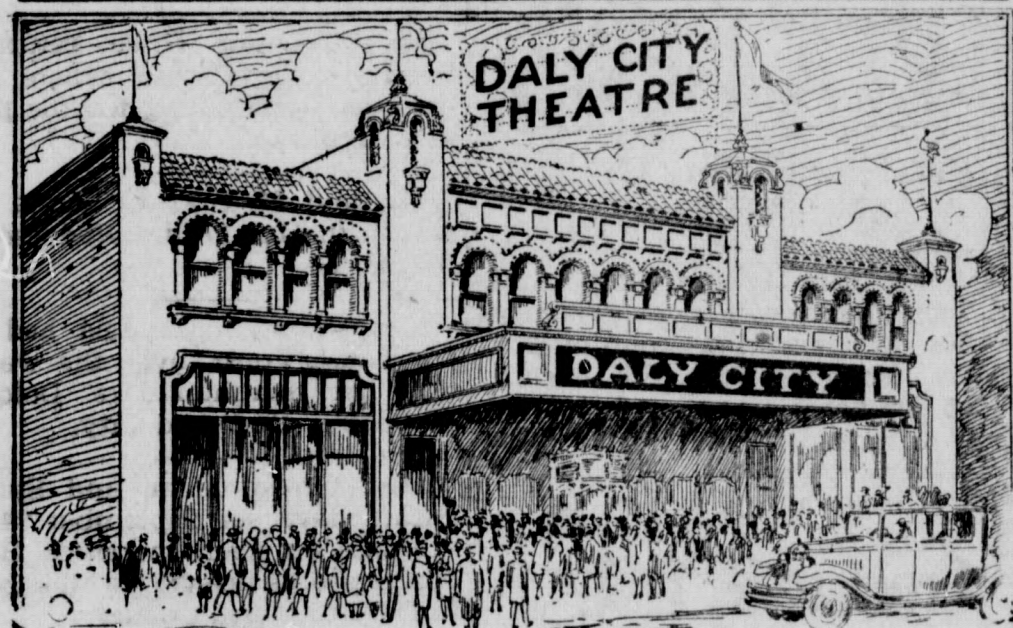

I wonder if any of you girls have ever thought of getting little felt pads the shape of your finger nails and saturating them with polish remover, and then placing them over the nails. This is a very efficient and easy way to remove your polish. This little process saves all the hunting for bits of rags, or cursing the brush in the polish remover for splattering the "blooming" stuff all over your new skirt. This isn't a very expensive way to remove polish because a pad will do the work for one hand. If you really want to save a lot of time I would suggest that you cut up quite a few of these pads at a time.

By the time lunch comes around you girls are looking pretty well worn out and your makeup is about due for a new job. One thing I hate to see is a girl starting to put on new makeup over the old. I know you are wondering how you can cleanse your face thoroughly at school.

Here is just a little suggestion that might prove helpful. Take your favorite skin freshener, (Campana Dress skin is quite popular) and saturate little pads with this. The next thing is to find a little tightly covered jar that you can place the little pads in so that you can tuck it away in some little corner of your locker.

Then when you want a complete makeup job you have a helper that really can remove that old makeup in a jiffy, without the bother of soap and water. You will notice too, that by thoroughly cleansing your face before each application of makeup that it

Loretta Pinochi
Claimed As Bride
By Peter Maffei

Something old, something new, something borrowed, and something blue.

This was the tradition carried out by the popular young Miss Loretta Pinochi when she became the bride of Peter Maffei, Sunday at a lovely church wedding at Holy Angels church.

Miss Pinochi was beautifully attired in the traditional white satin dress. The bridal gown was a beautifully fashioned, with long leg-o'-mutton sleeves, tight-fitting bodice, and graceful circular skirt. Upon her head she wore a dainty white brocade halo, which ended in a veil trailing gracefully behind her as she approached the altar. For her bride's bouquet she carried a spray of Lilies of the Valley and three orchids.

Miss Gloria Pinochi, sister of the bride, was maid-of-honor, Mrs. Josephine Maffei, matron-of-honor, and Miss Ellen Ratto was the bridesmaid.

The bride's attendants were dressed alike in white taffeta dresses, with full skirts and short puffed sleeves. They wore halos of flowers in their hair and carried old fashioned bouquets of mixed flowers.

Joe Nomellini was the groom's best man, and the two ushers were Urbano Maffei, and Tom Stanghellini.

After the wedding, performed by Father James Sorasio, a large reception was held in Columbo hall, Colma. More than 300 friends gathered to congratulate the bride and groom, and to wish them every happiness in the future.

Upon returning from their honeymoon in Catalina, the newlyweds will make their home at 70 Cavour street, Daly City.

Plan Huge Cubbing Rally

Parents and friends are cordially invited to attend a huge "back to cubbing" rally which will be staged Friday evening at the Grace Nazarene church, Santa Barbara and Vista Grande avenues.

Entertainment features will include cub movies and stunts. The program will be given by C u b Pack No. 141, holding their first regular monthly pack meeting since vacation.

Any children attending should be accompanied by parents or other adults, Scoutmaster Joseph P. Straughan added. The meeting will begin at 7 p. m.

Sports

Football, spelled with a capital "F," will be the "By" word at Jefferson High this season. It looks like the boys really mean business. More than forty-five huskies have turned out, and have already started down the gridiron to begin their practice. Although practice began last week, the real and strenuous workouts began this week, due to the Labor Day holiday.

When interviewed, Coach Tsoutsouvas appeared very optimistic and stated that he plans to teach the "double wingback formation," a system never before introduced at Jefferson. Although your reporter is far from being an authority on the game, the impression gathered from the interview was that the coach really has something on the ball. Who knows? He may prove to be the answer to the Jefferson's prayer.

As the practices go on and the time draws nearer to the actual competitive playing, the coaches will select a line captain as well as a field captain.

Coach Tsoutsouvas said that he believed the new boys, out this semester, are lighter than those of other schools. Weight, of course, is an advantage, but it doesn't necessarily make a team.

Three practice games were decided upon and announced Friday and will be held as follows:

September 20, Piedmont at Piedmont.

October 4, Modesto at Modesto.

November 8, Polytechnic at Jefferson.

Music

Swing! That is what the up-to-the-minute Jeffersonsonites are wondering about. Jeffersonson has been known on the Peninsula as the school with the best swing band, "The Indians of Rhythm," in the county.

Although the band will be almost completely new due to the fact that graduation claimed many

of Lembi's proteges, they are trying to fill their places with new students. Most of the students that are being substituted have been playing instruments only a year. The band expects to come up to par in a couple of semesters.

The "Indians of Rhythm" total 26, which includes a new section never before introduced into the band, a violin section composed of Jimmy Parker and George Percival.

A bigger and better school band is anticipated by Oscar Busch, as he stated that there would be approximately 40 students in his group this semester.

students are enabled to buy a well-balanced nutritious noon-time meal.

It has been estimated that a total of 32,000 meals were served to students under the program last semester.

Adequate, well-balanced lunches pay large dividends, according to Principal Ferguson. Proper food for students resulted in weight gains, better mental and physical coordination, greater mental alertness and fewer absences on account of illness.

A few of the commodities which are now available to the school are fresh apples, lima beans, wheat cereal, corn meal, graham flour, rolled oats, oranges, fresh prunes, raisins, lard, rice and canned milk.

Grace Nazarene Plan Sunday School Picnic

Grace Church of the Nazarene will hold its annual Sunday School picnic, Saturday, in Balboa park at Ocean avenue and Santa Jose streets.

All who do not have their own transportation will leave in a group at 10 a. m. from the church, which is located at the corner of Vista Grande and Santa Barbara avenues. Everyone is asked to bring street car fare and a lunch for his own needs, with maybe a little extra.

Every mother and father is invited to join the picnic with the children, according to the cordial invitation issued today by N. M. Lewis, pastor, and Neil Edwards, Sunday School superintendent.

During the day there will be ball games, racing, jumping, horseshoe, fat men's races, three-legged races, sack races, and other interesting events. Prizes will be awarded the winners.

"This is going to be a real picnic," said Reverend Lewis today. "We have planned this gathering close to Daly City so that everyone could attend. Come to this picnic and bring your friends with you."

YOUR CHILD CAN STUDY BETTER
WITH **BETTER LIGHT**
FOR **BETTER SIGHT**

September with school and study means more than just books, new shoes and new clothes.

For instance, are young eyes ready to stand the strain of long hours of study? If eyestrain is threatening, have eyes examined by an eye specialist. Then check the lighting by which the student must see to study.

Why take a chance with ordinary light that merely looks good enough for a child's study desk? One easy way to provide grade A light for grade A study is with an I.E.S. Study Lamp. Those lamps provide a generous amount of soft, glareless light that makes seeing easy. Incidentally, you'll find better light helpful yourself. Try it and you'll want it for the whole family.
